

## Declaración de conformidad CE

Los productos marcados con el logotipo CE cumplen con las directivas de equipos de radio (2014/53/EU), la directiva electromagnética (2014/30/EU), la directiva de bajo voltaje (2014/35/EU) - desarrolladas por la comisión Europea.

El producto cumple con estas directivas de acuerdo con los siguientes standards:

EN300328 V2.1.1  
EN301489-1/-17 V2.1.1  
EN62368-1:2014+A11:2017  
EN55032:2015+AC:2016(ClassB);  
EN55035:2017  
EN62311:2008

**Lea el manual de instrucciones antes de utilizar el producto**

## Especificaciones

AC/DC adapter (EU type)	Shenzhen Keyu Power Supply Technology Co., Ltd. KA25-0501000EU INPUT:100-240VAC/Max0.25A-50/60Hz-OUTPUT:5-VDC/1.0A
----------------------------	--

## Descripción

La central domótica Gateway consiste en un producto de precisión con conectividad WiFi y un módulo Bluetooth compatible con el servidor Tuya Smart y la APP Smart Life para añadir dispositivos inalámbricos Bluetooth

Led rojo - Indicador WiFi

Led azul:

Indicador conexión Bluetooth

Botón reset

Conector de alimentación

## Preparando para utilizarse

- 1 Desde App Store o Google Play, busca e instala la APP "Smart Life" o bien escanea el siguiente código QR para descargar instrucciones sobre como instalar la APP
- 2 Una vez instalada y registrado en la APP, conéctate a tu red WiFi y pulsa arriba a la derecha en + "Añadir dispositivo" -> "Otros" -> "Conector WIFI"
- 3 La central gateway será añadida y aparecerá automáticamente en la pantalla principal de la APP tras realizar el proceso de conexión

APP **【Smart Life】**

## Especificaciones

Nombre	Central inalámbrica Gateway
Salida	5V --- 1A
Temperatura entorno	-10°C~55°C
Humedad entorno	10%~90% RH (no condensado)
Conexión inalámbrica	2.4G Wi-Fi
	Bluetooth
Tamaño	60X60X15mm
Peso neto	33 gramos

## Contenido

- 1x Central Gateway
- 1x Cable de datos

- 1x Adaptador de corriente
- 1x Instrucciones

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Attention that changes or modification not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This product has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This product generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this product does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This equipment should be installed and operated with a minimum distance 20cm between the radiator and your body
